My Achievement

**"Success is stumbling from failure
to failure with no loss of
enthusiasm."**

I started my journey in the Forex market at the age of 18. This journey was not easy for me because while all my friends were studying, I was busy in becoming self-reliant along with studies.

At the age of 19, I bought a bike (suzuki gixxer) with the money I earned, this was a big achievement for me.

I can't express my feelings. At an age when people have fun, I am making my family proud.

Youth icon of Hazaribag (Jharkhand)
at the age of 21

Youth icon of Jharkhand at the age of
22

At the age of 22, I bought a Varna Car, it felt like my dream had come true but this was just the beginning.

A new car is not just a machine; it's a statement of progress, a symbol of new beginnings.

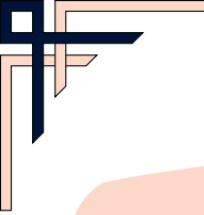

i got this award on best leadership
skills in marketing in november 2022
